

# We are still serving the *Jumbo market*

The All in One Loan<sup>™</sup> combines home financing and personal banking into one fluid off-set account. Unlike a traditional mortgage, the All In One Loan<sup>™</sup> applies payments to the loan principal first, reducing your loan balance faster and allowing you to save thousands of dollars in interest.

- ➔ 30-year mortgage, similar to the off-set mortgage, with a combined sweep-checking account that makes it easy to save interest
- ➔ Includes ATM-Debit Point of Sale VISA access cards, checks, online and mobile banking
- ➔ All deposits are automatically applied to principal, lowering each day's balance
- ➔ Interest is computed daily after deposits and withdrawals to achieve the lowest possible payments
